I understand that all dogs placed by SCLRR must be up to date on their vaccinations and that I will be asked to make a donation of \$50 if vaccines are needed.

I understand that all dogs placed by SCLRR have to be spayed/neutered and that I will be asked to make a \$100 donation to cover this expense.

I understand that SCLRR may not be able to place this dog due to age, health, physical condition, temperament, or lack of sociability.

I certify that I am the owner of this dog, free and clear of all other interests.

I certify that this dog is not possessed of any dangerous or vicious propensities and that I have not willfully concealed information about this dog that might indicate such propensities.

I certify that the information provided on this form is true and correct, and I understand that should SCLRR find any information contained in this surrender questionnaire to be false, SCLRR has the right to turn down acceptance of the dog I am surrendering.

I understand that a physical evaluation of the dog and a temperament test will be performed by an experienced SCLRR volunteer, and that decision whether SCLRR accepts this dog for re-homing will depend, in part, on the results of such evaluation and testing.

I understand that once I have given up the dog in question, I am in no way to have him/her back without the expressed agreement of SCLRR's Board of Directors.

I understand that SCLRR reserves the right to refuse acceptance of any dog and that acceptance is based on many criteria, one of which is space availability.

I have read and agreed with all of the above:

If during the process of foster evaluation, the dog is found to be unadoptable for any reason by SCLRR, do you wish to be contacted to potentially have the dog returned to you? YES / NO
